Disclaimer

The recording of this Info Day as well as the presentation support materials, are made public to provide potential applicants with general guidance to help them complete their proposals.

If there is any conflict between:

- the information provided during the Info Day session itself, its recording, the Financial Information File tutorial recording, and the presentation support materials on the one hand, and
 - the provisions set out in the official Innovation Fund call text as well as the related FAQ posted on the Funding and Tender portal on the other,
- ***the latter two documents take precedence over the materials from the Info Day and act as the text of reference for the Innovation Fund Call 2024.***
